

# Chilmington Green Primary School

## Year 3/4 Class Newsletter, Term 4, 2020

### Key Dates

25<sup>th</sup> February  
Parents Evening  
5-7.30pm.

27<sup>th</sup> February  
Parents Evening  
3pm - 5.30pm.

### Parent Event

#### Fabulous Finish

Tuesday 24<sup>th</sup> March  
2.30pm

### Last day of Term:

Wednesday 1<sup>st</sup> April

### PE

We will have PE lessons on Wednesday and Friday. For outdoor PE, we are focusing on cricket. For indoor PE, we will be focusing on parkour.

Please ensure PE kits are in school during the week as PE slots are subject to change.

### RE

We will be looking for answers to the question;

Why is the bible important to Christians?

### Creative Curriculum Topic - Mexico

This term, we will be learning about Mexico. We will be learning about the physical and human features of the country and linking this strongly to celebrations from the country, including la dia de los muertos (the day of the dead festival) which will spark deeper philosophical questions for the children to consider. We will explore aspects of the culture and look at comparisons between Mexico and The UK.

### Maths

In Maths this term we will be covering the following topics:

- Fractions (decimals year 4)
- Measurement - capacity

### Computing

In Computing, we will be using purple mash to learn about the skill of touch typing.

### Homework

Homework will be given out on Friday and is due in by the following Wednesday. There will be a homework club Monday lunch times.

Reading: Please record all reading in the reading record daily. If you have any questions about anything then please do not hesitate to ask. TTRockstars and Bug Club use is considered homework and there is an expectation of children to utilize these one to three times a week.

### English

This term we will plan and write across cycles with a strong focus on non-fiction. We will link our writing closely to our topic. As ever, any additional writing that children would enjoy at home such as letter writing should be encouraged and celebrated! Please continue to take advantage of the resources available on our reading programme "Bug club".

It is also a great idea to use purple mash for its fantastic spellings games and resources to encourage children to continue this learning at home, this is sometimes homework.

### Science

This term, in Science, we will be learning about animals including humans.

### PSHE/SEAL

We will be looking at Identity, society and equality this term.

Our focus is on Celebrating difference.
